

# Rebrand.

This package is designed for businesses looking to refresh or overhaul their brand within the platform. We'll update your brand in your documents and Email Templates, update the colours and logos used throughout your public pages, and finally, we'll assist in securing a new URL if needed.

This package includes:

Introductory session

Document & Email Template refresh

Basket & Learner Portal visual identify update

URL set-up

Thorough handover back to your team

**£495 – £3,495**

**Book your consultation:**

**[www.accessplanit.com/additional-services](https://www.accessplanit.com/additional-services)**

**Need something more bespoke or a combination of multiple packages?**

We can build a consultation package to fit your specific needs! Get in touch with our Customer Success team [customersuccess@accessplanit.com](mailto:customersuccess@accessplanit.com) and we'll create a package that works for you.
